

Open House at our Convent

We welcome you to visit our Maronite Servants' Convent for an Open House on Sunday March 4th, 2012 from 2:00PM to 5:00PM (at anytime during this window). This informal event is to give you the opportunity to see the results of the convent renovations, visit our Chapel, and share in some coffee and cake to celebrate.

Please take some time to stop by and visit with us. As we have so often said, this will be your home too. We plan to host events here to build up our Maronite Church communities. Beginning with Great Lent, we open our doors for days of prayer, spiritual talks, or overnight retreats. Please see below.

Sister Therese Maria and I look forward to your visit. Friends have asked what they could bring or offer. What is most needed at this time are donations to help pay our gas and electric bills. Thank you for supporting us in this mission.

God bless you,

Sister Marla Marie
